EMPLOYER NOTICE

OPERS Education for Members and Employers

SITUATION OVERVIEW

Our priority during this uncertain time is maintaining the health and safety of our employees, members and employers while still providing benefits and services to our members. Therefore, we wanted to share a few updates and reminders about OPERS education opportunities for members and employers.

MEMBER EDUCATION

OPERS is postponing all in-person education events through the end of May; however, we'll be increasing the number of live webinars. These webinars provide the same information as our in-person seminars and members can ask questions and get answers from our educators.

Please encourage your employees to register for these webinars by visiting the Member Education Center on opers.org. If you'd like to schedule a private webinar for your employees, please contact Margaret Needum at mneedum@opers.org to determine a date, time and type of webinar that works best for you.

EMPLOYER EDUCATION

OPERS will train and assist new fiscal officers with reporting, payment and OPERS 101 over the phone. Call or email Employer Outreach to schedule a training session.

Webinars and recorded presentations on a variety of topics are available for employers. To see the complete list or to register, visit the Employer Seminars & Webinars section of opers.org.

As always, please contact Employer Outreach with any questions or comments at 888-400-0965, or by email at employeroutreach@opers.org.
